# Infinitely safe. Child safety.

If your vehicle features automatic front passenger airbag deactivation (optional extra Code U10), sensor readings classify the occupant by weight. The system works both when using i-Size/ISOFIX attachment points and when the child

seat is attached using only the seat belt. Mercedes-Benz child seats are available in the “Limited Black” design. The covers are washable and very hardwearing. Replacement headrest covers are available for the “BABY-SAFE plus II”, “DUO plus” and “KIDFIX” child seats in chilli red and flannel grey.
